At National Electrostatics Corp. (NEC), we are a leading manufacturing company committed to producing high-quality electrostatic ion beam accelerator systems worldwide. We pride ourselves on our commitment to quality and customer satisfaction.

We are looking for a detail-oriented and hands-on **Assembly and Test Assistant** to join our dynamic team. This role involves assembling, testing, and inspecting products to ensure they meet our high-quality standards. If you have a passion for working with your hands, a knack for precision, and a drive to learn, we'd love to hear from you!

Responsibilities:

- Assist in the assembly of accelerated systems according to technical specifications and assembly instructions.
- Conduct quality checks and functional tests on assembled components.
- Identify and troubleshoot assembly or testing issues, escalating as necessary.
- Maintain a clean, organized, and safe workspace.
- Collaborate with the team to ensure production timelines and quality goals are met.
- Occasional international travel after 1 year of employment.

Qualifications:

- High mechanical aptitude and manual dexterity.
- Ability to follow instructions and read technical drawings or schematics.
- Basic understanding of tools and equipment used in assembly and testing.
- Good communication skills and the ability to work well in a team.

Education and Experience:

- High school diploma or equivalent.
- Associate degree in mechanical or technical field preferred.
- Experience in assembly, testing, or a similar hands-on role in a manufacturing environment is preferred.

What We Offer:

- Competitive salary and benefits package.

- Opportunities for growth and development within the company.
- A supportive and inclusive work culture.
- Training and hands-on experience in accelerator systems.

How to Apply:

Please submit your resume to personnel@pelletron.com or apply online at Careers - National Electrostatics Corp. (pelletron.com) using our quick 3-minute application.

NEC is an equal opportunity employer. We celebrate diversity and are committed to creating an inclusive environment for all employees.

We look forward to welcoming a dedicated Assembly and Test Assistant to our team!
