

CORE VALUES

PELLETRON

- P** **Passion**
For the community and our products
- E** **Ethical**
We treat customers fairly
- L** **Leadership**
As leaders in the community, we listen to customers and tailor products to their requirements
- L** **Learning**
We learn from our successes and our mistakes and always try to improve ourselves
- E** **Experience**
As a company that started in 1965, we have a long history
- T** **Trust**
Customers trust that we will stand by our products throughout the life of the system
- R** **Relationships**
Many of our customers go back decades!
- O** **Ownership**
As an ESOP, we all benefit from our hard work
- N** **Newsworthy**
Often our products are responsible for major news
