MACHINIST

As the world leader in the manufacturing of electrostatic ion beam accelerator systems, National Electrostatics Corp. or NEC, is always looking for the best, quality candidates to join our family. Being a part of the NEC family offers many rewards including being a part of an environment where we want to see you grow and succeed. We are an employee-owned company that had been in business for over 50 years.

We are looking for a Machinist to join our team. This is a full-time position with excellent benefits. These benefits include paid time off (holiday, vacation and sick leave), long term disability, life insurance, health insurance, and 401K match options and Employee-owned stock plans.

Job Title: MACHINIST

Job Level: Craft Worker

(6:00 a.m. - 2:30 p.m., Monday-Friday, Machine Shop Department)

Essential Duties:

- Manual machining of a wide variety of metal and plastic parts, many to close tolerance.
- Verify accuracy of finished machining's against engineering drawings (blueprints).
- Set up and operate cut-off saw, band saw, and punch press.
- Deliver materials to shops.
- Deburr work using drill press and deburring tools.
- Perform secondary operations, such as, tapping, countersinking, polishing, etc.
- Other similar machine shop tasks as needed.

Educational Requirements:

- High School Diploma/GED required; Associates Degree preferred.

Skills and Experience Requirements:

- Experience in the set up and operation of machine tools, including large lathes.
- Familiarity with common tooling and fixtures.
- Familiarity reading engineering drawings (blueprints) and parts lists.
- Experience using common hand tools and measuring tools (calipers, micrometer, etc.) and operating light power equipment, such as, a hand drill, small drill press, etc.
- Average or better ability to read and write in English, to work from written instructions, and to perform simple calculations (add, subtract, multiply, divide).

Physical Requirements:

- Eyesight vision of, or corrected to, 20/20.
 - Ability to perform operations of manual dexterity, most of which are done while standing.
 - Ability to lift 50 pounds preferred.
-
