---

At National Electrostatics Corp. (NEC), we are a leading manufacturing company committed to producing high-quality electrostatic ion beam accelerator systems worldwide. We pride ourselves on our commitment to quality and customer satisfaction.

We are looking for a dependable and hands-on **Welder/Machinist Assistant** to support our fabrication and machine operations. This is a great opportunity to gain experience in a skilled trade and grow with a company that values craftsmanship and teamwork. If you have a passion for working with your hands and a drive to learn, we'd love to hear from you!

### Responsibilities:

- Assist welders and machinists with set-up and daily tasks.
- Prepare materials and tools for projects.
- Operate basic shop equipment under supervision (grinders, saws, etc.).
- Maintain a clean and organized workspace.
- Follow safety procedures and company policies.
- Help move and position heavy materials as needed.

### Qualifications:

- Mechanical aptitude and willingness to learn.
- Basic knowledge of welding or machining is a plus (but not required).
- Ability to read blueprints, tape measure, and follow instructions.
- Reliable, punctual, and team-oriented.
- Ability to lift 50+ lbs and work on your feet throughout the day.

### Education and Experience:

- High school diploma or equivalent.

### What We Offer:

- Competitive salary and benefits package.
- Opportunities for growth and development within the company.
- A supportive and inclusive work culture.
